

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at <http://about.jstor.org/participate-jstor/individuals/early-journal-content>.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

TILTON'S VALENTINE DESIGN CARDS

For Hand-Painting in Water Colors.

These designs are original, having been drawn by a young lady of Boston, whose pretty water colors were much admired for Christmas Cards the past season. They are figures of young people of both sexes, printed on gilt edge bevelled cards four by five inches, with space for a verse or motto. Each design is given in outline, printed in color, leaving the inside to be filled in, for which full directions are given in detail. These may be followed, or one may use his own ideas in completing the design. They will be sold in packages of six. Each package or series will contain six different designs. Price, 50 cents for each series. Sent by mail on receipt of price.
